

Application Information

Thank you for considering an application to be part of our graduate School-Based Teacher Training Programme. This programme is different in that you will join one of our schools as a member of staff for the full year while completing your teaching practice amongst teaching professionals as you complete academic papers online through the University of Waikato.

We are excited to offer you this programme in one of our participating schools to achieve a Diploma of Teaching. This will enable you to become a fully registered teacher at the end that year.

You will need to choose just one school, but you will be given an opportunity to visit others during the course of the year.

Please complete the form below to apply for the School-Based Teacher Training Programme. You will also need to attach a résumé with at least two referees.

Full Name

Tertiary Qualifications

School Requested

Please discuss why have you requested this particular school?

Please outline your current employment (if any)

List your employment history (including any relevant background and experience).

Please provide the names of at least TWO referees and their contact details

Please indicate why have you chosen to pursue a career in teaching?

Please let us know why have you chosen to apply for this particular training programme?

Please list your preference for teaching subjects:

What other extra qualifications or areas of interest do you have? For example: First Aid Certificate, Debating, Sport Coaching, Performing Arts, EOTC.

What would you like to contribute to your school if selected?

Please list any further queries, or comments.

We hope you have a great year if you are selected into our programme. Thank you for your application. Don't forget to add your CV.

Please print your completed form and email it to the school you have selected via our website: <https://www.schoolbasedtraining.org/apply.html>
